SNAG AN AWESOME BBQ

BEEFEATER RANGE

EUROPEAN BROCHURE

TRUE BLUE GENIUS

We've been making these authentic Aussie backyard icons for more than 30 years. So naturally, we're pretty good at it.

We make them beautiful. We make them tough. And the quality? Just sensational. We also make them modular. We're clever like that, so you can even build your own.

So tuck in and check out a BeefEater barbecue for yourself. There's no limit to what these little barbies can do.

With BeefEater, you've got a mate for life.

THE INSIDE STORY

A truly great barbecue is as beautiful on the inside as it is on the outside. Here's a taste of what goes into making a BeefEater barbecue so brilliant.

RF TECHNOLOGY® RUST FREE COOKTOPS

Kiss rusty cooktops goodbye. Ours are made from porcelain enamel coated cast-iron, one of the toughest coatings available. Solid stainless steel cooktops are also an option.

VAPORIZER® GRID & REFLECTOR SYSTEM WITH ANTI-FLARE TECHNOLOGY

Patent pending anti-flare technology reduces annoying flare up and heat loss for faster cooking and superior fuel economy.

INFRARED RADIANT BURNERS (OPTIONAL)

Our unique, patented radiant burner delivers high intense uniform heat with low flare-up. It's commercial quality and a real flavour enhancer. Solid cast stainless steel burners are also an option.

SIGNATURE CARTS AND PEDESTALS

Our luxury carts and pedestal trolleys are built tough from powder coated steel and stainless steel.

SIGNATURE SERIES STAINLESS STEEL LIFETIME WARRANTY

Our quality 304 grade stainless steel construction and components come with a lifetime warranty. It's corrosion resistant, hygienic and easy to maintain.

SIGNATURE SERIES PORCELAIN ENAMEL 10 YEAR WARRANTY

Hygienic, durable, scratch and scorch resistant – porcelain enamel is one of the toughest easy-care finishes for outdoor appliances.

DISCOVERY SERIES 5 YEAR STAINLESS STEEL WARRANTY

Discovery barbecues are covered by a no-nonsense 5 year limited warranty on the stainless steel finish, with a full warranty plan on all other components.

DISCOVERY SERIES 5 YEAR PORCELAIN ENAMEL WARRANTY

Discovery barbecues are covered by a no-nonsense 5 year limited warranty.

INTEGRATED CONVECTION ROASTING HOOD

In porcelain enamel or stainless steel. It's juicy-cooking. Removable. And has an on-board temperature gauge and warming rack.

HIGH OUTPUT SIDE BURNER

Ideal for whipping up tasty stir-fries, sauces, or steaming. Heat output 21 MJ/hr. 19900 BTU.

INTEGRATED QUARTZ START® IGNITION

Our innovative titanium-coated system ensures long life and trouble free starting. No fiddly batteries or buttons.

ON BOARD GAS CYLINDER STORAGE

A place for everything and everything in its place.

WHEEL AWAY CONVENIENCE

Note the snappy heavy duty wheels and lockable castors.

Winner of an Australian Design Award.

Features with ▲ symbol are optional extras.

BUGG®

BeefEater Universal Gas Grill

IMAGINE THE WORLD'S
BEST PORTABLE BBQ.
THEN MAKE IT
MORE COMPACT.
GIVE IT MORE POWER.
AND MORE CONTROL.
MAKE IT BETTER LOOKING.
BETTER COOKING.
MORE DURABLE.
MORE YOU.

IT'S THE CUTTING EDGE TECHNOLOGY THAT SETS BUGG® APART.

Born in Australia, BUGG is a new species of BBQ that's so much more than you ever imagined.

The amazing BUGG picks up where other BBQs leave off. Sure, it's small in size. But it's big on technology and engineering with a host of advanced features specially adapted for today's world. Cook with the hood up, for crispier grilling. Or hood down, for roasts. And it's easy to store and carry. So your BUGG goes where you go. Anytime. Anywhere. Say hello to the amazing BUGG. It's the world's most brilliant BBQ yet. Designed and built by BeefEater, BUGG is the culmination of more than 25 years' experience in the development of innovative BBQs that truly enhance the way we live.

YOUR BUGG® GOES WHERE YOU GO.

Summertime. Party time. On your balcony. At the beach. In the yard. Set it up on the spot and share your food as fast as you can cook it.

Anytime you want to BBQ. Anywhere you want to go. The multi-talented BUGG is the master of multi-tasking. Smart BUGG attachments latch on to almost anything. Fix it to a balcony, boat rail or on your tailgate. Hang it on a wall. Sit it on a bench top. Or use it stand-alone on the sturdy no-slip BUGG trolley. Ready in an instant, BUGG has summer written all over it. It's the BBQ the world's been waiting for.

ARTISAN CREATED BY YOU

ARTISAN OUTDOOR KITCHEN

Serious Barbecues

BUILT IN A MORNING. ENJOYED FOR A LIFETIME.

The ultimate outdoor kitchen is where our “build your own” philosophy really comes into its own. There’s so much to play with.

Need somewhere to house a fridge? Got that. How about space for a wine chiller? Got it. Left or right hand opening doors? Got that too.

The solid, integrated, modular construction also means it’s quick and easy to install... which means you’ll be cooking in no time.

SIGNATURE® 3000 4 BURNER

Featuring four powerful burners, a roasting hood made from durable porcelain enamel, rust-free cooktops, quartz start ignition and anti-flare technology.

Available in stainless steel and enamel.

WEATHERPROOF CONSTRUCTION UV STABILISED

Constructed from materials designed to suit an outdoor environment.

RENDER STONE PAINTABLE FINISH

Designed to complement the modern plaster finish commonly used in building projects.

STANDARD DIMENSIONS HEIGHT AND DEPTH 900x600

Conventional comfortable bench height adjustable by 50mm with levelling feet.

MODULAR CONFIGURATION EXPANDABLE “L” OR LINEAR

Choose the entire system or a grill module only and or a fridge module. Install it as an “L” shape or in a line. Optional corner piece available.

SIGNATURE® SIDE BURNER HIGH OUTPUT

Ideal for whipping up tasty stir-fries, sauces or steaming heat output 21MJ/hr. 20,000 BTU

GRANITE BENCHTOP NATURAL STONE

A natural stone benchtop finishes the Artisan ODK perfectly.

SINK AND TAP STAINLESS STEEL

No kitchen is complete without a sink and tapware that is fit for purpose. Can be plumbed to hot and cold water supply.

EASY BUILD ALUMINIUM SUB FRAME

Designed from prefabricated panels the modules assemble with a minimum of fastening.

STAINLESS STEEL CABINETRY DOUBLE AND SINGLE DOORS

The accessory items including doors, sink, handles and tapware are designed to suit the outdoors made from either 304 Stainless or chromed alloy.

TROPICALISED OUTDOOR FRIDGE DOUBLE DOOR

Tested to 43°C in the shade, commercial grade 304 stainless steel exterior, heavy duty low noise compressor and heated double glazing FROST FREE system and condensation free glass doors. Auto-closing lockable doors and digital adjustable thermostat.

Winner of an Australian
Design Award for signature BBQ

With over 25 years experience, BeefEater is known for its meticulously designed and high quality barbecues. BeefEater is represented in over 40 countries around the world.
