TRUE BLUE GENIUS

We’ve been making these authentic Aussie backyard icons for more than 30 years. So naturally, we’re pretty good at it.

We make them beautiful. We make them tough. And the quality? Just sensational. We also make them modular. We’re clever like that, so you can even build your own.

So tuck in and check out a BeefEater barbecue for yourself. There’s no limit to what these little barbies can do. With BeefEater, you’ve got a mate for life.

THE INSIDE STORY

A truly great barbecue is as beautiful on the inside as it is on the outside. Here’s a taste of what goes into making a BeefEater barbecue so brilliant.

RF TECHNOLOGY® RUST FREE COOKTOPS
Kiss rusty cooktops goodbye. Ours are made from porcelain enamel coated cast-iron, one of the toughest coatings available. Solid stainless steel cooktops are also an option.

VAPORIZER® GRID & REFLECTOR SYSTEM WITH ANTI-FLARE TECHNOLOGY
Patent pending anti-flare technology reduces annoying flare up and heat loss for faster cooking and superior fuel economy.

INFRARED RADIANT BURNERS
Our unique, patented radiant burner delivers high intense uniform heat with low flare-up. It’s commercial quality and a real flavour enhancer. Solid cast stainless steel burners are also an option.

SIGNATURE CARTS AND PEDESTALS
Our luxury carts and pedestal trolleys are built tough from powder coated steel and stainless steel.

SIGNATURE SERIES STAINLESS STEEL LIFETIME WARRANTY
Our quality 304 grade stainless steel construction and components come with a lifetime warranty. It’s corrosion resistant, hygienic and easy to maintain.

SIGNATURE SERIES PORCELAIN ENAMEL 10 YEAR WARRANTY
Hygienic, durable, scratch and scorch resistant – porcelain enamel is one of the toughest easy-care finishes for outdoor appliances.

HIGH OUTPUT SIDE BURNER
Ideal for whipping up tasty stir-fries, sauces, or steaming. Heat output 21 MJ/hr. 19900 BTU.

INTEGRATED CONVECTION ROASTING HOOD
In porcelain enamel or stainless steel. It’s juicy-cooking. Removable. And has an on-board temperature gauge and warming rack.

INTEGRATED QUARTZ START® IGNITION
Our innovative titanium-coated system ensures long life and trouble free starting. No fiddly batteries or buttons.

INFRARED RADIANT BURNERS
Our unique, patented radiant burner delivers high intense uniform heat with low flare-up. It’s commercial quality and a real flavour enhancer. Solid cast stainless steel burners are also an option.

ON BOARD GAS CYLINDER STORAGE
A place for everything and everything in its place.

WHEEL AWAY CONVENIENCE
Note the snappy heavy duty wheels and lockable castors.

IMAGINE THE WORLD’S BEST PORTABLE BBQ. THEN MAKE IT MORE COMPACT. GIVE IT MORE POWER. AND MORE CONTROL. MAKE IT BETTER LOOKING. BETTER COOKING. MORE DURABLE. MORE YOU.
IT’S THE CUTTING EDGE TECHNOLOGY THAT SETS BUGG® APART.

Born in Australia, Bugg is a new species of BBQ that’s so much more than you ever imagined.

The amazing Bugg picks up where other BBQs leave off. Sure, it’s small in size. But it’s big on technology and engineering with a host of advanced features specially adapted for today’s world. Cook with the hood up, for crispier grilling. Or hood down, for roasts. And it’s easy to store and carry. So your Bugg goes where you go. Anytime. Anywhere. Say hello to the amazing Bugg. It’s the world’s most brilliant BBQ yet. Designed and built by BeefEater. Bugg is the culmination of more than 25 years’ experience in the development of innovative BBQs that truly enhance the way we live.

YOUR BUGG® GOES WHERE YOU GO.

Summertime. Party time. On your balcony. At the beach. In the yard. Set it up on the spot and share your food as fast as you can cook it.

Anytime you want to BBQ. Anywhere you want to go. The multi-talented Bugg is the master of multi-tasking. Smart Bugg attachments latch on to almost anything. Fix it to a balcony, boat rail or on your tailgate. Hang it on a wall. Sit on a bench top. Or use it stand-alone on the sturdy anti-slip Bugg trolley. Ready in an instant, Bugg has summer written all over it. It’s the BBQ the world’s been waiting for.

Trolley
Built strong for everyday use. Lightweight and compact for easy transport and storage. The Bugg trolley has room to store a big 12kg gas bottle, with an automatic in-case wheel lock for stability.
