

OASI

YOUR OUTDOOR COOKING STATION

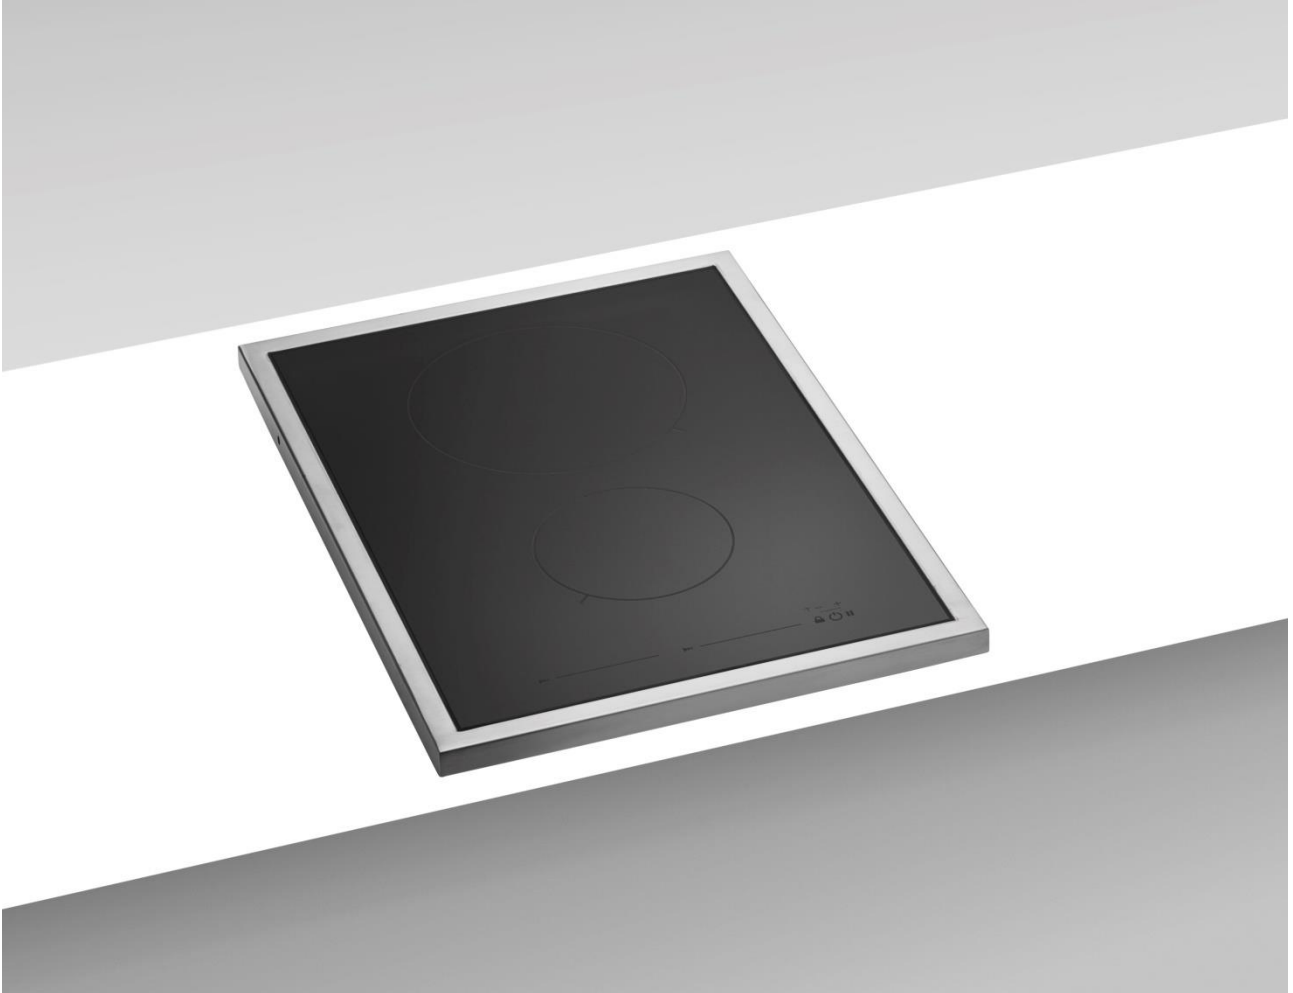

la cucina esce all'esterno

Professional, made in Italy, stainless steel with the highest quality standards, durable and easy-to-maintain.

The OASI series from PLA.NET features built-in design where the cooktop can be fit into customized holes in a counter or trolley, leaving only the upper part of the BBQ visible and perfectly integrating the BBQ into the surface on which it lies.

Oasi IN.INDU
